Spring Spinach and Kale

Two plantings of spinach, early October and mid-October.

Kale planted in early October.

Spring Spinach

Late October / November 1 planting

Kale

October planting

Arugula for late fall, winter and early spring

Planted in September.

Note spinach and kale in other beds.

Arugula harvested 1/11/2013

Planted mid-September

Lauren's spinach

Planted mid-October

Lauren's spinach

Uses for wood mulch

Weed control

Good to chew on too.

Gryffyn
