WRITE YOUR MEMORIES INTO MEMOIRS BEGINNER CLASS

For those who have begun writing their memoirs and those who are just starting out, this 8 session class will focus on capitalizing on your life experiences by turning your memories into fascinating life stories. The class leader guides weekly discussions of writing topics with participants in a supportive and lively setting. A serious desire to write your life story and the ability to write down thoughts is essential for those wishing to take the course.

At the end of the program your stories will be bound in a book format and given to you as a keepsake. Give a priceless gift to your children and grandchildren that only you can give.
